Feb 2025- August 2025

PLP ACADEMY

- Software Development (MERN STACK)

2022- Present

UNIVERSITY OF NAIROBI

- Bsc. Electrical and Information Engineering

2017-2022

FRIENDS SCHOOL KAMUSINGA

- Kenya Certificate of Secondary education
- GRADE: B+

SKILLS

- Web Development
- Video Editing
- Graphic Design
- Event Organization
- Leadership
- Effective Communication
- Public Speaking
- Critical Thinking

LANGUAGES

- English: Fluent
- Swahili: Fluent
- Mandarin: Basics

WORK EXPERIENCE

Society of Electrical Engineering Students

SEPTEMBER 2024-

MAY 2025

Chairperson

- Leadership & Governance:** Oversee the strategic direction, daily operations, and long-term goals of the society, ensuring all activities align with our mission to promote academic excellence, professional development, and innovation.
- Event Planning & Execution:** Organize and coordinate technical workshops, seminars, industry talks, hackathons, mentorship programs, and networking events to bridge the gap between academia and industry.
- Stakeholder Engagement:** Build and maintain strong relationships with industry partners, alumni, faculty, and other engineering associations to foster collaboration and create growth opportunities for members.
- Student Advocacy:** Serve as the primary voice of Electrical Engineering students, addressing academic and welfare concerns, and representing their interests at university forums and external engagements.
- Team Management:** Lead the executive committee and oversee various subcommittees, ensuring effective delegation, coordination, and execution of projects and initiatives.
- Sponsorship & Partnerships:** Develop proposals and actively seek sponsorships and partnerships with corporate organizations to support the society's activities and provide value to members.
- Community Outreach:** Promote STEM awareness and community service initiatives, encouraging members to contribute to societal development through their skills and knowledge.

Society of Electrical Engineering Students

September 2023-

September 2024

Administrative Secretary

- Record Keeping & Documentation:** Maintained accurate records of all society meetings, including drafting, distributing, and archiving minutes, reports, and official correspondences.
- Communication Management:** Served as the primary point of contact for internal and external communications, ensuring timely dissemination of information to members, stakeholders, and partners.
- Scheduling & Coordination:** Assisted in organizing society events, meetings, and activities by coordinating logistics, venues, and schedules in collaboration with other executive members.
- Membership Management:** Managed membership records, facilitated new member registration, and maintained an up-to-date database of society members.
- Support to the Executive Committee:** Provided administrative support to the chairperson and other executive members, contributing to planning and execution of society projects.
- Compliance & Reporting:** Ensured adherence to university policies and society bylaws, and prepared reports for submission to the relevant university bodies.

Mlolongo Primary

February 2023- April

Volunteer Teaching Assistant

2023

- Under the Pace Community Based Teaching Assistant (CBTAF) program I volunteered as a teaching assistant.
- I assisted with preparing lesson plans, marking student exercises and offering remedial tutoring to the students.
- As was required by pace i offered mentorship to boys from Grade 6 to Grade 8 guiding them through issues raised by then that I related to.
